

# EMAS AWARDS 2015 CERTIFICATE

Winner in the Category Public – Large

## Landeskrankenanstalten-Betriebsgesellschaft - KABEG

Theme: Eco-innovation

This organisation is an official EMAS Awards 2015 winner. EMAS is the premium environmental management instrument. The EMAS Awards praise the relentless efforts in environmental protection of EMAS registered organisations.

This organisation has instituted a particularly innovative means of reducing its environmental impact. This pioneering effort has an immediate effect on environmental performance, and also spurs on environmental improvements among employees and competitors. Through replication and the spreading of best practice, these innovations can help reduce environmental impacts across the European Union and worldwide.
